Artists are invited to explore the hidden, under the surface, microscopic, imagined, or dreamt that make life so much richer. The juror is renowned scientist and artist Michal Gavish. The exhibit is open to all area artists. Del Ray Artisans members pay a discounted entry fee.

## **Member Meeting & Art Supplies Swap Sunday, February 19, 2023, 4–6pm**

If you haven't already, check your studios, basements, closets, attics – wherever you have stashed those old art supplies that you really thought you would use, and bite the bullet... if you haven't used them yet – give someone else a chance. Maybe you will find a new project waiting for you.

Our first 2023 Member Meeting is DRA's traditional opportunity for members to swap unused art supplies for "new to you" supplies from fellow members. Always popular at DRA, this swap is a great opportunity to chat about making art.

Please bring your old supplies with you to the meeting. We will collect and display them. Light refreshments will be served as we learn about the latest DRA news, and view the supplies. We will then pull names from a hat to take turns choosing "new" supplies. Save the date: Sunday, February 19 at 4pm!

## Want to Teach?

The Director of Programs is looking for artists and craftspeople to teach adult-only and/or kid-friendly classes in 2023! First time teaching? We'll help you figure it out! We are bombarded with queries for in-person classes, we are asking you to step up and teach. We'd like to run several classes on basic painting techniques, clay or wood sculpture, jewelry and gems, introductory mosaic construction, beginner's woodcarving, wire wrapping, and rubber stamp carving. These are not associated with any particular show and will be taught on days or evenings when the gallery is not open to the public. Got a skill set that isn't mentioned but that you'd like to teach? Contact [Programs@DelRayArtisans.org](mailto:Programs@DelRayArtisans.org), or fill out a proposal submission at [DelRayArtisans.org/programs](https://DelRayArtisans.org/programs).
