The Unseen Exhibit runs February 3–25 Opening Reception Friday, Feb 3 from 7–9pm

Join us for the opening reception of *The Unseen* art exhibit at Del Ray Artisans on Friday, February 3 between 7-9pm to meet the curator, Peter Michaels, and the artists. This exhibit reveals what we typically cannot see, the hidden, under the surface, microscopic, imagined, and dreamt that make life so much richer.

Juried by renowned scientist and artist Michal Gavish, who recently returned from a residency in Seoul and a one-person show in New York City. She received her MFA in Painting and previously earned a PhD in Physical Chemistry.

The Unseen piggybacks off Dr. Gavish's work with microscopic structures in her art.

The Unseen exhibit runs February 3–25, 2023 at Del Ray Artisans gallery in the Colasanto Center, 2704 Mount Vernon Avenue, Alexandria, Virginia 22301. Gallery hours are Thursdays 12-6pm, Fridays 12-9pm, Saturdays and Sundays 12-6pm. The gallery is closed the last Sunday of the month (February 26, 2023).

Member Meeting & Art Supplies Swap Sunday, February 19, 2023, 4–6pm

If you haven't already, check your studios, basements, closets, attics – wherever you have stashed those old art supplies that you really thought you would use, and bite the bullet... if you haven't used them yet – give someone else a chance. Maybe you will find a new project waiting for you.

Our first 2023 Member Meeting is DRA's traditional opportunity for members to swap unused art supplies for "new to you" supplies from fellow members. Always popular at DRA, this swap is a great opportunity to chat about making art.

Please bring your old supplies with you to the meeting. We will collect and display them. Light refreshments will be served as we learn about the latest DRA news, and view the supplies. We will then pull names from a hat to take turns choosing "new" supplies. Save the date: Sunday, February 19 at 4pm!

Welcome, New Members

The Unseen World of Extreme Diving (Free Zoom Talk)

Wednesday, February 1 from 7-8pm

Join technical diving enthusiast Matt Hanson as he describes typically unseen environments in scuba. Matt will discuss the joys, hazards, and equipment associated with diving under ice or deeper than 130 feet. Divers must bring their own light and warmth, maintain the oxygen needed to support life. Beyond the Block: Experimenting With Nontraditional Printmaking Workshop Saturday, February 18 from 10am-12pm

Explore ways to make prints without purchasing tons of supplies. Use reclaimed materials to divert waste from landfills while creating prints that can stand alone or be incorporated into artwork from other disciplines. The workshop fee is \$15 Del Ray Artisans member / \$25 non-member, plus a \$5 supply fee. Instructor: Meredith D'Amore. Register by midnight on February 14.

"Waste Not"

Women with ADHD (Free Zoom Talk) Tuesday, February 21 from 7-8pm

Women with ADHD are often unseen in medical literature. Only a few studies across a broad range of journals have attempted to research how hormonal increase during the menstrual period affects ADHD severity, and even fewer have focused on potentially how the hormonal change through menstrual cycles impacts medication efficacy or vitamin deficits. Join Faith Hendon for a discussion and meta-analysis of current research within and external to the field of applied behavior analysis (ABA) focusing on ADHD and women, with a secondary focus on cyclic (menstrual/hormonal) patterns of observable symptoms and behaviors.

All materials for the class will be provided, and the students will take home a full set of tools so they can continue creating fabulous flowers, animals, and whatever else they can imagine! Come learn a new skill that is as old as paper itself! Instructor: Erica Hughes. \$15 Del Ray Artisans member / \$25 Non-member, plus \$30 supply fee
